

# SHE ACCUSES RICH WOMAN AS THIEF

Mrs. Hornig's \$1,000 Lavalier Gone, Causes Arrest of Friend.

Because her \$1,000 lavalier could not be found after Mrs. Clara Morgenstern had visited her last Friday, Mrs. Jennie Hornig of No. 1701 Woodbine Street, Ridgewood, L. I., caused her friend's arrest yesterday on a charge of stealing the jewel. Mrs. Morgenstern is twenty-one and lives at No. 2381 Myrtle Avenue, Ridgewood.

Both women are wealthy. They met two months ago when they became members of a committee which conducts a milk station in Ridgewood for the benefit of the poor. Mrs. Morgenstern indignantly denied the theft, but Mrs. Hornig pressed her complaint in the Jamaica Police Court yesterday and she was held for examination Monday. She was paroled in the custody of her attorney.

## SAYS WIFE TOOK HIS HOUSE.

Husband Put Property in Her Name and Claims She Ejected Him.

William Burkander, a builder, of No. 1241 Pinson Place, Far Rockaway, has sued his wife, Pauline, in the Queens County Supreme Court, claiming she refused to deed to him \$25,000 worth of property which he owns, but put in her name sixteen years ago, and has driven him from his own house, compelling him to live over a stable.

In the complaint Burkander claims his wife never disputed his ownership of the property until a month ago, when, he alleges, he discovered she had entered into a contract to sell his home for \$12,400. He claims he demanded she deed the property to him, but that she refused to do so, informing him that she herself is the owner.

## Identifying Good Tea

You don't need to—we identify it for you! We choose the leaves carefully, blend them until the tea taster himself smacks his lips over the flavor. And then so there'll be no mistake, we wrap it in air-tight packages bearing the name

## TETLEY'S TEA

We've been blending tea for a hundred years. We ought to know how to blend it—and we do!

## Annual Sale of Lamps and Shades

MORE important than the price of these lamps and shades is their distinction and their quality. But the fact that you can to-day buy them at 10% to 50% less than their former prices does not lower their quality nor subtract from their distinction.
